

Continuation of Substance of Interview including description of the general nature of what was discussed: In view of the above interview, the above publication no. 2001-185544 has been withdrawn as being proper under 35 U.S.C. 102(b). It was agreed that changes be made to the above claims 1, 7, 10, 15 and 18 to more clearly define the claimed invention. Such changes properly place this application in condition for allowance. Details of the changes can be seen in the accompanying "Examiner's Amendment".
